

Traditional Turkish Night with Henna Show

BEST WESTERN CITADEL HOTEL

This excursion is simply a must; it is a real traditional Turkish Night in İstanbul!

Fabulous variety of Turkish cuisine, belly dancing and the great opportunity of witnessing a traditional Turkish pre-wedding ceremony, called "Henna Night".

Henna night is traditionally organized a couple of days before the wedding ceremony and is the night on which bride is bid farewell by her family and friends to her new life with her husband. Applying henna is one of the oldest traditions of Anatolia. Henna is the traditional symbol of lovers' commitment to each other for the rest of their lives and it is believed that henna protects the couple against evil eye. Henna is applied to the bride's hands as well as the guests as a remembrance of celebration and the blessing. Each moment of this experience is exciting and fascinating to see!
